PROFILE

I am an aspiring web developer with hands on experience in full-stack development, Database management, iOS app prototyping, and machine learning projects. Stepped up as a Scrum Master for a class project, coordinating agile workflows and leading a team of 5 to deliver impactful software solutions. I am interested in Web and Application design, cloud concepts and building side projects to explore innovative tech products. I am always keen to explore emerging technologies and adapt to fast-paced environments.

PROJECTS

Cliniwatch - RMIT Apple iOS Health Hackathon (Swift, Xcode)

- Designed a proactive mental health app in collaboration with Apple, Northern Health, and Blue.
- Implemented daily check-ins, support map, carer portal, contact list and gamified wellbeing log.
- Presented live demo and technical pitch; planned Apple Health integration.

TeachTeam - Tutor Recruitment System (React, TypeScript, Node.js, GraphQL, MySQL)

- Built full-stack web app to manage tutor applications, reviews, and selections.
- Designed MySQL schema and API for authentication and data workflow.
- Integrated real-time dashboard with candidate shortlisting and localStorage persistence.

Histopathology image classifier (Python, CNN, ML)

- Developed CNN models to classify colon tissue cells into cancerous or non-cancerous (binary & multiclass).
- Applied image preprocessing and optimized deep learning models for classification.

MCBA- Banking Web App (C#, Azure data Studio)

- ASP.NET Core MVC Website for Internet Banking using .NET 9.0 with an Azure Microsoft SQL Server database back-end
- Users are able to Deposit, Transfer and withdraw from accounts, schedule payments and view statements

SKILLS

Technical Skills

- Programming : Python, Java, C++, C#, html, css, Javascript
- Tools : Excel, Git, Node.js, React
- Databases: MySQL, Azure Data Studio
- Software Development: OOP, Agile/Scrum, REST APIs
- Design: Canva, Figma

Soft Skills

- Attention to detail
- Curiosity & Critical thinking
- Communication & Public speaking
- Teamwork & Collaboration
- Adaptability & Problem Solving
- Willingness to learn
- Positive & Motivated Attitude

EDUCATION

Bachelor of Computer Science
RMIT University Australia

2024 - 2025

- Relevant Coursework - Full Stack Development, Algorithms, Software engineering, Web development
- Active as a Student Volunteer

Bachelor of Computer Science - 1st Year
Edith Cowan University Sri-Lanka

2022 - 2023

- GPA: 4.0
- Acted as a Student Ambassador

WORK EXPERIENCE

Student Connect Concierge

RMIT University

JUNE 2025 - APRIL 2026

- Assisted 50+ student inquiries daily, resolving enrollment and wellbeing issues
- Collaborated with staff to improve support processes

Wait Staff & Cashier

Fusion Ceylon - Werribee

MARCH 2024 - FEBRUARY 2026

- Delivered customer service in a high-volume environment
- Trained new staff and supported daily operations

Event Support Officer

RMIT Learning & Teaching Festival

OCTOBER 2025 - OCTOBER 2025

- Collaborated with the events team to set up venues, direct attendees, and maintain a welcoming and organized festival environment. Assisted with wayfinding, and ushering to ensure a smooth festival experience for over 100 guests

Store Assistant

Colombo Brothers - Grovedale

MARCH 2024 - MARCH 2025

- Supported store operations, customer inquiries, and inventory management
- Mentored new staff to improve efficiency and teamwork

VOLUNTEER & EXTRA-CURRICULAR

RUSU Events & Realfoods cafe

RMIT University Student Union

MARCH 2025 - JUNE 2025

- Assisted with food distribution and student wellbeing initiatives at RMIT
- Supported student engagement and inclusion campaigns with the Student Union

RMIT City Campus Information Counter

RMIT University Student Union

MARCH 2024 - JUNE 2025

- Assisted students and visitors with campus navigation and information services
- Managed poster runs and general information distribution across campus

Student Ambassador

Edith Cowan University Sri-Lanka

2023- 2024

- Organized student events and delivered speeches to 200+ students at orientation
- Represented the university and supported new student engagement

HOBBIES

- Choir
 - Swimming
 - Public & Effective Speech
- Creating side Projects
 - Movies & Entertainment
 - Radio Show Hosting at SYN RMIT
